PRIMARY EXAMINER

Claims 1-38 are allowed over the prior art of record and in light of applicants' arguments.

Drawings

New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawings filed on 7/12/05 contain multiple drawings that do not pertain to the invention as claimed. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
